We are a 100% all volunteer group,
We donate 100% of all money raised!

The Michelle Lunn HOPE Foundation raises funds needed to help in the fight of blood cancers. 100% of what we raise will be used to award students scholarships and provide financial assistances to patients and their families. We also fund research through the Van Andel Institute to help develop better treatments and improve the quality of life of cancer patients. In our last 13years we have donated 452,000.

Blood Cancer Facts:

- Leukemia, lymphoma, myeloma and myelodysplastic syndromes (MDS) are types of cancer that can affect the bone marrow, the blood cells, the lymph nodes and other parts of the lymphatic system.
- Approximately every 3 minutes one person in the United States (US) is diagnosed with a blood cancer.
- Approximately every 9 minutes, someone in the US dies from a blood cancer. .

You can deliver the hope that future generations will not have to endure cancer threatening the lives of their friends and family. You have the power to fight back against diseases that affects millions.

Michelle Lunn
11/9/84 -7/21/07

This outing is in memory of Michelle Lunn who at the young age of 22 lost her fight with acute lymphoblastic leukemia on July 21, 2007, as well as all others who have died or are currently battling blood cancer.
